To our community,

Since the beginning of the COVID-19 outbreak, we have been monitoring the progression and we are following the recommendations put forward by [Alberta Health Services](#), and our provincial and municipal governments. Considering the rapidly changing developments and keeping the well-being of our community at the forefront, we have made the important decision to have our WCDT team operate remotely. Additionally, our Discovery Centre will operate by appointment only for our builder partners.

We are available during regular business hours to facilitate appointment bookings for all our residential projects:

*Argyle or August, Avi Urban
The Ivy or Capella, Brookfield Residential
Maple, Esquire or Noble, Truman
The Gramercy or Rhapsody, Gracorp Properties
Cambridge Manor, The Brenda Strafford Foundation*

You can reach us directly by calling, 403.288.0280 or by email at discoverycentre@wcdt.ca

We are taking this step to help protect and ensure we are doing our part to prevent the spread of COVID-19. We encourage you to visit myuniversitydistrict.ca from the comfort of your home for information about our community.

Thank you in advance for your cooperation and support. We understand that this is an unprecedented time for all of us. We will continue to monitor the situation and post any updates on our website and through our social media channels as they become available.
